CAUTION**

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call 1-800-225-3320 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irrita-

tion. Avoid eye contact. Do not use in edible product areas of food handling establishments, restaurants or other areas while food is exposed. Avoid contamination of feed and foodstuffs.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Bait should be placed in areas inaccessible to children.

INDOOR: Apply gel indoors in areas where ants are seen, including areas behind the refrigerator, stove, around water pipes, in cracks and crevices on window and door sills. Renew bait as needed. Apply only in areas inaccessible to children and pets.

OUTDOOR: Apply small, pea-sized bait placements where ants congregate or are seen entering the building. Bait near or in cracks, crevices or void spaces around windows, door jams and sills, eaves, patios, garages, under stairwells, and crawl spaces. Other areas where ants travel, hide or nest may also be baited (i.e. fences, trees, tree holes and around concrete slabs and asphalt covered areas). Renew bait as needed, keeping in mind that outdoor gel placements may dry more quickly than indoor placements and may have to be replaced more frequently.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: STORE IN A COOL PLACE. Store in original container away from food and feedstuffs. Keep product in a locked storage area.

DISPOSAL: Empty container by using the product in accordance with the label directions. Do not reuse this container! Place empty container in trash or offer for recycling if available. If container is partly filled, call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. NEVER PLACE UNUSED PRODUCT DOWN ANY INDOOR OR OUTDOOR DRAIN!
